## LEZZIE LICKFEST

*As dorm mates, we had a lot of time to spend together!*

Poor Sharon. She thought she had my schedule down to a science. Of course, she had no way of knowing that I'd dropped my Chem Lab, so I'd be returning to our dorm room just in time to find her getting personal with her 13-inch vibrator. I stood entranced in the doorway as I watched her manipulate the buzzing toy across the trimmed thatch of her sweet blonde cunt. She'd closed her eyes, and the sound of the buzzing had apparently masked the sound of my entrance, so she didn't yet know I was there. This, I thought, is the real Sharon: a nasty, sex-obsessed bitch who gets it on with Godzilla-sized fuck-tools!

As I savored that nasty thought, her eyes blinked open and she let out a little scream. The vibrator bounced out of her astonished fingers, rolling off the bed and dropping to the floor, where its buzzing came to an ominous and abrupt halt. "You don't need that thing when you've got a roommate like me," I said, putting down my book bag and shrugging out of my jeans. Sharon's stare dropped to the level of my crotch. I wasn't wearing underpants. That's just another nuisance item to fill up your laundry, and we students are much too

My shirt came off next. Again, I hadn't bothered with a bra. As naked as Sharon, I approached the narrow dorm bed. At the last minute, her hands came up, and I wondered if she was going to push me

away. Of course, as I'd hoped would be the case, she was much too aroused to do any such thing. Instead, she pulled me down on top of her, those long legs of hers opening wide so that I could wedge half my body between her thighs. The vibrator had just gotten her started. Now I was going to finish the job.

We french-kissed, our tongues curling and uncurling around each other. Her nipples felt like little rubbery eraserheads where they poked into my own hot boobies. We caressed each other, our hands wan-

dering up and down.

At age 18, it doesn't matter if the only exercise you get is horizontal. We were old enough to have lost our puppy fat, young enough not to have put on the pounds that come with maturity. Sharon's hard, muscular little figure was exciting to me in the way that an older, softer body couldn't be. Groaning with excitement, I twisted around on top of her, orienting myself so I was on top and in control of the 69 action I was about to get going.

*I began to dip my tongue in her pussy and actively fuck her with it*

Sharon's tongue was a little uncertain at first. She was shy and had probably spent more time with her vibrator than with her classmates. But she quickly developed confidence. I could feel her delicate tongue tip probing around, hunting up all the sweet spots that dripped with my female honey. She sucked my leaking cunt-hole until she was slurping so loudly that the sex-noises seemed to echo around the small room. And, of course, like any horny gal, she knew enough to give plenty of lick-strokes to my clit. When she wasn't licking it, she sucked it like a tiny pink candy, and the rest of the time she pressed it hard against her talented upper lip.

Don't think I'm boasting, but I'd like to report that I performed equally well on her cute, upturned mound of Venus. I moved in slowly, teasingly, deliberately dragging my tongue tip along her clit, through

**SHE SUCKED MY LEAKING CUNT-HOLE UNTIL SHE WAS SLURPING SO LOUDLY THAT THE SEX-NOISES SEEMED TO ECHO AROUND THE SMALL ROOM. AND, OF COURSE, LIKE ANY HORNY GAL, SHE KNEW ENOUGH TO GIVE PLENTY OF LICK-STROKES TO MY CLIT.**

a tangle of wet fur, and upward to her bellybutton. A lot of girls don't realize that the bellybutton is an erogenous zone until they've felt it getting licked out by my tongue. Sharon's hips rolled, and her cunt curled desperately, as if she were trying to use her pubic hairs to grab at my face and drag me back down to the main event. I could feel her gasping and panting in raw heat where she breathed into my own lovehole.

Grinning till I could feel my lips curve upward against her belly, I walked my tongue back down to the

**A TINY MUSCLE BEGAN TO KICK JUST BENEATH THE FLESH OF HER RIGHT INNER THIGH. WHEN I BEGAN TO DIP MY TONGUE INTO HER CUNT AND ACTIVELY FUCK HER WITH IT, SHE RESPONDED WITH MORE URGENCY THAN I'D SEEN HER DEMONSTRATE WITH THE VIBRATOR.**

main event. I nibbled playfully at her clit and sucked delicately at her cunt-hole. Warm, salty cream flowed freely from her depths. A tiny muscle began to kick just beneath the flesh of her right inner thigh. When I began to dip my tongue into her cunt and actively fuck her with it, she responded with more urgency than I'd seen her demonstrate with the vibrator. Hell, 13 inches of plastic can't compete with a girl-driven, double-jointed tongue!

Our bodies began to thrash, both small and large muscles jerking as if we'd each stuck a toe in an electric socket. I could feel the muscles in Sharon's

cunt-hole squeeze and then release my tongue in a series of erotic contractions. My own cunt was bouncing off her mouth like a madwoman bouncing off the walls. The shared orgasm was so intense that I could feel my toes curl hard into my feet. "Oh god, dear god," Sharon was weeping into my furry forest of suddenly electrified pubic hair.

I probably screamed a bit myself, but I blanked out on anything I might have said. All I know is that the sensations were so fucking intense that I could see sparks flying in front of my eyes.

We slumped on Sharon's small bed, packed together like sardines in a can, but neither of us had any desire to move. I wanted to keep Sharon's cunt next to my face forever. "What about the vibrator?" she asked, and I lifted an eye high enough to scan the carpet. The discarded toy lay there in two pieces, its batteries strewn on the floor next to it.

"It's history," I said. "But do you still think you really need it?"

"No. I just didn't want to trip on it if I ever got out of this bed again."

I made sure that she didn't get up for the next three hours.

A full-body photograph of a nude woman with short brown hair, sitting on a light-colored sofa. She is leaning forward, holding a large red and white swirl lollipop in her right hand, which is raised to her mouth where she is licking it. Her left arm is bent, with her hand resting against her right shoulder. Her legs are pulled up towards her chest. The background shows a window with a view of greenery and a large yellow leafy plant on the left.

I HAD TO MAKE MONEY

*To earn college tuition, she agreed to work for a phone sex service.  
Her friend provided help... and a hot tongue to inspire her.*

## working my way through college

It was a major bummer when Daddy's business went belly-up. I mean, there I was just starting college. The first year's tuition was paid for and all, but what was I going to do after that? Well, I right away started looking into loans, grants, scholarships...and jobs. Then my friend Bonnie took me aside. She's 19, a junior already, and has her own place off-campus. "Look, I wouldn't want everyone to know this, but I have this job that...well, it's not the kind of thing you tell your parents about, and you wouldn't want to do it in the dorm. Still, if you want in on it, I'll let you use my place. Anyhow, the money's good...." She hesitated.

I could feel my eyes go wide. "You're not...you're not...?"

She knew what I was thinking—that she was messing around with guys for money. She shook her head, and her red-blonde curls went flying. "No...they never get to touch my body," she said emphatically. I was more puzzled than ever, till she finally explained: "I'm working for a phone sex service."

"A what?" I'm afraid I sounded as shocked as I felt.

Well, to make a long story short, she convinced me that I'd never make as much money for as little work doing anything else, that nobody else had to know besides her and the people who run

the service, and that she'd show me how it was done. "You can listen to me do a call."

I went to Bonnie's apartment with her. Pretty soon she was on the phone with one of these guys. "Yesss...I love to take it up my hiney-hole," she purred to the guy on the phone. As she talked, she pulled her pants and panties down, till her dark-blonde bush was exposed. "My little butt-hole is twitching for you right now. Put it in me. Fuck my little butt!"

Bonnie started fingering her clitty, just like I wasn't there watching her, and I didn't know whether to look at her or look away. I mean, I'd never seen another girl masturbate before, or even talked about it with my friends. I could see her labes and all of her slit slowly grow moist and shiny. Her finger slid across the length of her slit, teasing her labes and tweaking her clitty-button. started to get so hot, I really wanted to frig my own clit. But I couldn't...not with Bonnie right there! So I squeezed my thighs together when my clitty started throbbing. Now Bonnie had her finger at her butt. She was still talking to the guy on the phone about ass-fucking, and she slid her finger, which was drenched with her pussy-juices, up to her bunghole. I got up and moved around the room to where I could see her finger squirm into her bung. I felt totally depraved as I watched my friend slide three fingers in and out of her asshole as she talked on the phone to the horny guy at the other end.

I HAD TO MAKE MONEY

"I want you to fuck my ass," she said to him. "Yes, I can feel that big, thick tool of yours sliding up my asshole. Can you feel how tight my asshole feels around your cock? Can you feel me squeezing my asshole around you and gripping that big thing when it slides in and out? Do you like the way my hot ass feels? Is it hot enough and sweet enough and tight enough for you? Now drive that big ol' thing all the way deep inside me."

Her three fingers were ramming in and out of her ass, and my own clit was throbbing so hard that I couldn't help rubbing it some more, right through my pants. My hips began to pump back and forth as the fire engulfed me. Listening to Bonnie on the phone wasn't helping, either. Her rump was pumping urgently back and forth, and her three fingers were driving deep into her asshole. I watched her slim body wriggling as she lay there, and I got so hot that I slipped my hand down inside my pants and began frigging my clitty-button desperately. Soon my body, lying down behind hers, was moving back and forth in the same frantic rhythms.

"You're getting ready to spurt. I can feel it!" she was breathlessly cooing to the guy on the other end of the phone. "I want it. Spray my insides. Spurt my asswalls white. Let me feel your cock splat your cum all over my asswalls."

Then the guy apparently asked her a question. She was silent for a few seconds, listening, then breathlessly assured him, "Yes. I really am doing myself while we're talking. Yes, of course you're making me hot. I have three fingers stuffed up my asshole. In my mind, it's your cock. I wish it really were your cock. But I can pretend as well as you can. I'm fingering myself, real hard, with three fingers, and I'm almost ready to come. I want to come with you.

"I can feel you up inside me. I can feel your big cock. Oh, it's getting ready to spray, isn't it? Don't hold back, honey. Don't deprive

me. I'm ready to come, but I want to come with you." She pulled her fingers out of her rump-hole and reached around front to frig her clit-bud. Now I couldn't see her fingers anymore, but I could see how tightly her butt-cheeks were clenched, and I watched her body heave desperately back and forth. The breathlessness in her voice wasn't fake.

"Yes. Now! Now! I'm ready! Come with me! Do it! Give it to me! I want to feel your stuff spurt high up in my rear end. Do me! Spray me! Do it! Ahhhh, honey, yes! Yes! Oh, do it! Yes! Oh, so good! So good. I'm coming right with you. Ohhhhh!"

Her body was shivering and quaking in the throes of a massive climax. Watching her, I was incredibly turned on. But her call was over. She'd be turning over to face me any second. Guiltily I pulled my hand out of my pants and licked the heavily scented pussy-honey off my fingers before she could smell the evidence of what I'd been doing.

Just as I'd licked the last drop of my essence off my fingers, Bonnie rolled over and stretched contentedly in the throes of post-orgasmic delight. She'd hung up the phone and was very pleased with herself.

"H-how could you tell he was close to coming?" I asked in a very shaky voice. Excitement and need were still racing through me.

"His voice. His breathing. You can usually tell if you listen. Got the hang of it? You take the next call."

Me? I wasn't ready yet! But Bonnie was insistent. And the next call was only a few minutes later. Bonnie said to me, "It helps if you really do frig yourself while you're doing the call. Not just 'cause the guys expect it, but it really does make you hotter. It helps you get into the scene better."

But I couldn't pull my pants down and frig myself in front of

# Tollypop-ers

I HAD TO MAKE MONEY

Bonnie! I started the call sounding very wooden. I was inhibited, and I couldn't relax enough to get into the scene with the guy. I certainly couldn't frig my clit...even though I was waaaay hot from what I'd seen and heard when Bonnie did the last call.

Finally Bonnie took over. While I was talking on the phone and helpless to stop her, she took matters into her own hands...and pulled my pants down. Then she put her hand on my pussy! In another second she had connected with my clit! The guy at the other end had just said, "Can you feel my big cock sliding up inside your pussy?" when Bonnie touched her fingertip to my clit and began wiggling it.

I jumped and said, "Oooooh!" Then, "Mmmmm."

The guy thought I was reacting to what he was saying. "Feels good, hmmm?" he purred. "You like my thick cock up inside you."

"So hot!" I said breathlessly, though what was making me hot was Bonnie's tongue. She was licking my pussy! I really started to get into the hot call now. Bonnie's tongue rasping across the point of my clit made it easier to get into the fantasy scene with the guy at the other end of the phone.

"Thrust it in as deep as you can!" I urged him, while I thrust my hips toward Bonnie's face and smeared my juices across her nose and mouth and cheeks and even her forehead a little. "Drive that fat fucker in and out of me. Get me hotter. I want to get off! I'm so hot I can't stand it. You're making me so hot. So hot! I'm burning up inside. I gotta get off! I need to come so badly. Make me come! Get me off!" I was talking to him and to Bonnie simultaneously.

"You love feeling that thick meat inside you, don't you?" the guy at the other end of the phone growled. "Gonna give it to you. Gonna get off any minute now. You ready for a big load?" He was breathless, excited, talking in choppy bursts. I could hear what Bonnie had

meant about being able to tell when they were about to come. "You want it? You want my load?"

My body was almost a blur, moving back and forth as I strained to come. "Yes! Yes! Spray me!" I said. "Hose me down and get me off. I need it! I need it! I need it so bad. I'll come when I feel you come!" I was really getting the hang of this now.

Bonnie was right there with me, her tongue eagerly licking across my swollen clit and scarfing up my flowing pussy-honey. I reached out with my free hand, clasped the back of her head, and drew her face tight against my throbbing vee. My whole pussy was pulsating. It was going to be a big one.

Just then the guy on the other end groaned.

"Yes! Yes! Squirt me! Spray me! Fill me!" I gasped. Bonnie drilled her tongue right on my clit-tip, zeroing in on my pleasure zone, and I exploded, gasping into the phone, "I'm coming! I'm coming with you! I'm—I'm—ohmigod—" and then I screeched some unintelligible syllables.

The fellow at the other end muttered a quick, "Thanks," and hung up abruptly. I hung up too, feeling Bonnie's tongue slow down as I began to ease back down from the crest I'd reached.

"And you mean we get paid for doing this?" I gasped to Bonnie as I looked at her juice-drenched face. She had pulled away from my satisfied pussy.

She grinned. "I'll take the next call. You do me while I talk."

Was I ready to do that? Why not? I'd come a long way already today.

I still haven't told my folks how I'm earning the money for college. But I've earned a considerable portion of next year's tuition already. And I'm almost happy that my dad's business failed.

If you know what I mean.
